

BENCHMARKS FOR CATHOLIC SCHOOLS SURVEY

- Believing that excellence is not something that just happens, but rather something which must be planned, created and fostered, the Catholic Schools in the Diocese of Pittsburgh seek to gain the insights and perceptions of the school community on the 2017 Benchmarks for Excellence and Viability of the Schools in the Diocese of Pittsburgh. The benchmarks are based on a nationwide collaborative study of excellence and vitality in Catholic Education which was cooperatively adapted for use in the Diocese of Pittsburgh.
